WAKE COUNTY GENEALOGICAL SOCIETY, INC (WCGS) was organized in April 1982 to promote genealogical study and research, to serve as a medium of exchange of genealogical or historical information, to encourage the preservation of genealogical or historical records, to provide cultural, educational, and social opportunities involving genealogy. In 1983 WCGS was incorporated as a non-profit organization under the laws of the State of North Carolina.

MEMBERSHIP: Membership is open to anyone with an interest in the purposes of WCGS as stated above. The membership year is from January 1 through December 31. Annual dues for new members are $20.00 for individuals and institutions and $25.00 for families (two people, related by blood or marriage residing at the same address). A former charter member can rejoin for a fee of $15.00 - a one-time option.

MEETINGS: WCGS meets on the fourth Tuesday of each month except in June, July, August, and December. Meetings begin at 7:00 PM and visitors are welcomed. The current meeting place is Westover United Methodist Church, 300 Powell Dr, Raleigh, NC.

CORRESPONDENCE: All correspondence should be sent to WCGS, PO Box 17713, Raleigh, NC 27619-7713. For a fee of $5.00, you may request up to one hour of research by the "Please Help Me" Committee.

CHANGE OF ADDRESS: Please notify WCGS of a change of address as soon as it is known so that your journals and other WCGS communications will reach you in a timely manner. There is a $3.00 charge for remailing returned journals. Postage costs for returns have more than doubled since October 1995 and continue to increase in small increments.

WAKE TREASURES is the journal of WCGS and is free to members. One copy is sent for each Family Membership. Bi-annual issues are identified as Winter/Spring, and Summer/Fall.

EDITORIAL POLICY: Emphasis will be on unpublished, primary source documents with historical or genealogical significance for Wake County, NC. Primary source documents from counties from which large numbers of inhabitants migrated into Wake County may be used provided there is no Genealogical or Historical Society serving that county. Articles emphasizing methodology, instructions and "lessons learned" will be welcomed. Manuscripts about Wake County residents, past and present will be accepted. Wake County family cemetery surveys and Bible records will be used as space allows. Articles will reflect a balance regarding time periods and needs of both the novice and the experienced genealogists.

Manuscripts submitted will be judged on style, clarity, consistency, documentation and general appeal to the membership. References used to compile the manuscript must be included. (Send SASE to Editor for guidelines.)

Book reviews will be published for authors or publishers who donate the book to the WCGS library and for publications recommended by members which are pertinent to Wake County or of general genealogical interest. Books are then donated by the society to the Olivia Raney Library.

Neither WCGS nor the Journal Committee shall be held responsible for content, punctuation and/or spelling errors in manuscripts. Such errors are the sole responsibility of the contributor. Documented corrections of content errors, submitted to the Journal Editor, will appear in a later issue.

QUERIES: Members may submit an unlimited number of queries at no additional charge. Queries are accepted from non-members at $2.00 per query. For an extra $5.00, non-members can request a copy of the journal in which their paid queries were included. It is helpful when queries are submitted on a *Wake Treasures* Query Form. Queries are subject to editing and will be printed as space permits. Requests for Query Forms (send a SASE) and query submissions should be addressed to Query Editor at the address printed above. You may also xerox the query form in the insert placed in the center of the journal when more than one copy is needed.

PERMISSION TO QUOTE: Permission to reproduce or quote from an article published in any issue of *Wake Treasures* must be obtained in writing from the author(s). Write to the specific author in care of the WCGS address above.

BACK ISSUES: Past issues of *Wake Treasures* are sold only in volume sets. Volumes I through V are now available. See insert for price and other details.

Other Notations

CR.099.000/AR 6.0/etc.	the call or stack numbers used by the NC Archives to organize the storage of records

Corrections for Vol. III, No. 2 (Summer 1993)

- In the introduction to "Wake County Roll of Honor – World War II", it should read Mrs. Irene MARTIN CROWDER, not Mrs. Irene Nartub Criwder.

- In "From the Editors", it should read, Division of Archives and History, North Carolina Department of Cultural Resources, not North Carolina Department of Human Resources. The co-editor, typist for this segment worked for many years in the NC Department of Human Resources. Apparently, her fingers were on "cruise control" when this was typed. She really does know better.

We thank the people who pointed out these obvious flaws.

Introduction to the Wake County Tax List Project

By Elizabeth W. May

The journal committee, with the help of other WCGS volunteers, has decided to begin publishing the existing Wake County Tax lists. As most of you know, Wake County was formed in 1771 from Johnston County. Unfortunately, the first available tax list with the date identified is for 1781, and only eight lists exist between 1781 and 1792. The first "almost complete" set of existing lists (14 districts out of 16) is for the year 1793. After that date, most of the lists have survived and are now in the NC Archives.

In Volume III Number 1 of *Wake Treasures*, we published a list of all the military districts from 1771 to 1805 for which a references could be found. By consulting this article you can determine the districts for which there are no existing lists.

Some of the earliest lists have dates entered on them in pencil and enclosed in brackets [ ]. According to Ed Morris, Supervisor of the Research Unit, NC Archives, these bracketed, penciled dates were determined by an archivist after researching other supporting documents. In the abstracts, such a date is typed with brackets. Example: Captain Daniel's District – [1781].

In addition to abstracts of the original lists, the Wake County Court minutes are being surveyed for pertinent information related to taxes, and this will be compiled for each year. To be official, recording mistakes and tax exemptions had to be approved by the county court.

For accuracy, each list has been abstracted and typed by one person, then proofed against the original by a second. Both names appear in the credits. Every effort will be made to publish all the tax lists for a given year in no more than two installments. We hope this series proves to be valuable to you, our readers.

For those interested in the early laws affecting taxation in North Carolina, we recommend member William D. Bennett's excellent article, "Taxation in Colonial and Revolutionary North Carolina," which was published in the February 1993 (Volume 19 No. 1) issue of *The North Carolina Genealogical Society Journal*.

We want to thank non-committee members, Rick Colyer and Diane Savage, for their contributions to the abstracts published in this issue.

Wake County Taxes, 1781

From the Court Minutes (CR 099.301.1)
Compiled by Elizabeth W. May

COUNTY TAX RATE: Five shillings currency on each £100 of taxable property. (Sept. Ct., 1781, p. 191)

Ordered Robert **HIGH**, tax collector in his own district, to collect "no other or larger tax" from William **ALLEN** than he collects from other "good citizens." The same order was given to John **ABERNETHEE**, tax collector in Capt. **THOMAS**'s district, on behalf of John **McGAFFEY**. (June Ct., 1781, pp. 180, 181)

Tax collectors were ordered to collect only the "simple tax" from those who could not list their property because they were "in the service of their county [sic]" and to collect a "four fold tax" from those who refused or neglected to list. (Dec. Ct., 1781, p. 197)

Ruled that Richard **SWANSON**'s failure to list his taxes was "not willful or intended" and that Mark **MYAT**, tax collector, charge him only the simple tax. (June Ct., 1782, p. 212)

Tax collectors reported their collections of not only the county and public tax but also "the Additional tax" and the Invelede tax". (March Ct., 1782, pp. 200, 205-206)

James **ALFORD**, Commissioner, settled his account of the "Specific tax." There was a balance of "68 bushells and 3 pecks of corn" due. (Sept. Ct., 1782, p. 227)

Captain DANIEL'S District – [1781] (CR 099.701.1, Folder 1781-1791)
Abstracted by Rick Colyer and Elizabeth W. May

[**Note:** This list was published in one of the WCGS newsletters, but is being reprinted to keep the tax information is chronological sequence. The tax lister used the character for "double s" following several names, possibly as some type of coding. In those situations, it has been identified as "ss".]

Not Wake County, But It Could Have Been…

TRULY DESPERATE TIMES – Jamie Monroe **ROBERTS**, when interviewed by Governor **UMSTEAD** in 1954, told how hard it was on the farm during the Great Depression. He said two widowed sisters asked him to plow their garden, and he went at the appointed time. He saw the plow, but no horse or mule, and when he asked the sisters about it, they answered, “We will be the horse.” They placed a rope around themselves and pulled the plow while he steered it.

HINES / **SCARBOROUGH** / **POLK**

I need any clue on my **SCARBOROUGH** line! Who were parents of Samuel W. **SCARBOROUGH** (b. 1795, NC?) and his wife, Winneford **HINES** (b. 1800 NC)?? We were always told that Winneford was a **HINES**. Does anyone have Winneford in their **HINES** line? Their children: David E. (b. 1822), Elizabeth Ellen (b. 1825), Lucy James (b. 1827), Eliza Emmeline (b. 1829), John Ausker (b. 1832), Cornelia An Sanders (b. 1835), Samuel Washington Bolin Hines (b. 1839 Wake Co., NC), Robert Nicholas (b. 1842) and Lucy Ann (b. 1851). Does anyone have these names in their **SCARBOROUGH** and **HINES** families? We always thought that my great-grandfather, Samuel Washington Bolin Hines **SCARBOROUGH**, was named for both his grandfathers. My grandfather, Samuel Hines **SCARBOROUGH**, said the **HINES** were from a distant relationship to President James Knox **POLK**. **SCARBOROUGH** family in Wake Co. NC 1840; White Co., TN 1850; to Wright Co., MO 1852. Please write if you have any clue, whatsoever!

Moses Mordecai

Submitted by Betty J. Baker.
Source: J. H. Wheeler, *Historical Sketches of North Carolina, From 1584 to 1851*, Philadelphia: Lippincott, Grambo and Co., 1851, pp. 417-18

Moses **MORDECAI**, who lived and died near Raleigh, a distinguished lawyer, was born in the city of New York, on 4th April, 1785.

His father, Jacob, removed to Richmond, Virginia, when he was about five years old, and finally to Warrenton in this State, where he established himself first as a merchant, and afterwards kept a large and respectable female school.

Moses **MORDECAI** was educated in Warrenton by Marcus **GEORGE**, who was justly renowned as one of the best teachers of his day. He aided in the school of his father for a time after arriving at maturity. He then studied law, obtained license, and settled in Greenville, Pitt County. He subsequently removed to Raleigh, where he practiced with great success in the Federal and Supreme Courts, and where he lived, at the time of his death. The evidence of his ability and talents is, that with such compeers as **GASTON**, **RUFFIN**, **SEAWELL**, **STANLEY**, and others, his practice was lucrative, and his success complete.

He died at the Sweet Springs, in Virginia, September, 1824, whither he had resorted to restore his health, shattered by the fall diseases of our lower country climate. He left four children, two sons, Henry and Jacob, and two daughters, Ellen and Margaret.

His brother, George W. **MORDECAI**, Esq., resides now in Raleigh, and is President of the Bank of the State of North Carolina.
