WAKE COUNTY GENEALOGICAL SOCIETY, INC. (WCGS)

WCGS was organized in April 1982 to promote genealogical study and research, to serve as a medium of exchange of genealogical or historical information, to encourage the preservation of genealogical or historical records, to provide cultural, educational, and social opportunities involving genealogy. In 1983 ***WCGS*** was incorporated as a non-profit organization under the laws of the State of North Carolina.

Membership is open to anyone with an interest in the purposes of WCGS as stated above. The membership year is from September 1 through August 31. Annual dues are $25 for individuals and institutions and $30 for families (two people, related by blood or marriage, residing at the same address). A membership form is available on our website. Membership dues received after May 31 will apply to the following membership year.

BENEFITS OF MEMBERSHIP

Meetings

WCGS meetings are held on the fourth Tuesday of September, October, January, February, March, April, May, and June. The winter social meets in early December. Meetings are held at the Olivia Raney Library beginning at 7 pm, and visitors are always welcome. For current meeting topics and location, see our website, **wakecogen.org**.

Members may view and/or download from the website any handouts from general business meetings by using the current password. Back Issues of both the journal and the newsletter are available for download on the website using the current password. There is also a Subject Index for the journal available. It is updated annually.

Newsletter – WCGS Updates

The society's newsletter is published quarterly and is used to communicate current and relevant events of the society and other societies, libraries and classes that are available in the Wake County area. The newsletter archive is available here, **http://wakecogen.org/fileDownload.php?sid=1**.

The North Carolina Genealogical Society 2011 Award for Excellence in Periodical Publishing for a newsletter published by a local North Carolina genealogical society was presented to Roslyn Panichas, editor of ***WCGS Updates***. This quarterly publication is never printed, but is delivered electronically as a ***Wake County Genealogical Society*** member benefit. Its editor provides useful and timely information to ***WCGS*** members and always has content that will be helpful and interesting to all readers. Giving notice of current and noteworthy events of the society and other societies, libraries, and classes in the Wake County area, the newsletter also presents good articles and is a treasure trove for genealogists who enjoy researching on their home computers.

Journal – Wake Treasures

We endeavor to regularly publish primary source documents with historical or genealogical significance for Wake County, North Carolina. We will also publish primary source documents from related counties if there is no genealogical or historical society serving that county. We welcome articles about methodology and research experience as well as articles portraying Wake County residents, places, and events of the past. We seek a balance of time periods and hope to address the needs of both new and experienced genealogists.

Members access the journal archives through the **Members Area** portal, **http://wakecogen.org/members.php**.

A FREE-to-anyone **Topical Index** of all issues of Wake Treasures is free and available for viewing or download on the website: **http://wakecogen.org/cpage.php?pt=18**

The North Carolina Genealogical Society 2011 Award for Excellence in Periodical Publishing for a journal published by a local North Carolina genealogical society was presented to Hope Blackford, editor of ***Wake Treasures***. Two times each year since 2005, Hope Blackford, who retired as journal editor, has created issue after issue of a journal that is full of names, history, and useful information relating to Wake County genealogy. This journal is chock full of abstracts, articles, case studies, a variety of genealogical tidbits, and much more. The journal is very well documented with sources for each and every article and abstract and is every name indexed. ***Wake Treasures*** is available also as an electronic version, accessible as a WCGS member benefit.

Message From the Editor

By Diane L Richard
Editor, Wake Treasures

WELCOME TO THIS EDITION OF *WAKE TREASURES*

Dear Readers,

As many of you know, Hope Blackford has and continues to be a huge supporter of *Wake Treasures*. Though, she has stepped away from her role as editor, you will continue to see her name as she continues to transcribe invaluable documents for Wake County focused researchers. Thanks to Hope for her many years with the journal.

In her absence, some individuals new to the journal have stepped in and their contributions are invaluable. Cynthia Gage and Lori Winkelstein reviewed and completed the indexing needed to help with those names searches in the print edition. Donna Shackle did all the compiling and formatting that you see. It's great to have this journal team. When you see them, please congratulate them on a job well done. It does take many to bring you the journal.

This edition of the journal continues many series previously started – birth, death and voting registers and Deed Book R.

Additionally, to continue our honoring of those who served during World War I, you will find a list of some of those inducted, in Wake County, to serve. Look for more World War I records in the next issue.

Happy Genealogical Hunting!

Diane

[**Editor's Note**: We continue our exploration of World War I related records. See Volume 27 Numbers 1 & 2 for these records. In the last issue we talked about deserters. In this issue, we have a list of men inducted. This conveys who was actually inducted, whether they were drafted or volunteered. Information available on World War I draft registration records complements these records.]

[1] Since 1890, the mission of the DAR has been to promote historic preservation, education, and patriotism. The Historic Preservation Committee, established as a national Committee on March 1, 2008, seeks to honor the nation's heritage, focus on the future, and celebrate America. This includes preservation of buildings, landmarks, monuments, cemeteries, historic districts, statues, museum collections, manuscripts, documents, and archival materials. It also includes writing or compiling and publishing books on historic preservation projects, historical properties, genealogical and court house records, and photography collections; as well as compiling oral histories; and serving as historical guides, interpreters or docents.
